

Pathways HOME Holiday Drive

Pathways HOME clients need your help during the holidays! Many of our clients are currently homeless or have just moved into housing. **Please consider donating items listed below to help these young adults and their children have a memorable holiday season.**

- bed-in-a-bag for adults and kids
- lamps: floor and table
- small kitchen appliances: blender, crockpot, coffee maker
- home decor: picture frames, throw rugs, wall art
- bath towels, wash rags and hand towels

Our Pathways HOME program provides services to young adults (ages 18-24) and their children. Our experienced and dedicated staff help Pathways HOME clients develop independent living skills, enroll in and complete education, access community resources, seek affordable housing, and access mental health services.

Starting on Monday, November 25, all holiday donations should be dropped off at our Winter Wonderland Warehouse on our main campus at 1100 East Market Street. Follow our Candy Cane Lane and directional signs to the Winter Wonderland!

All donations before November 25 or on a Saturday can be dropped off at our main entrance at 1100 East Market Street.

Label all boxes and/or bags with items from this list *Pathways HOME Holiday*.

Questions about donations? Contact Reese Rose-Vann at rose@homeoftheinnocents.org or 502.596.1027.
