

Holiday Drive

Our children's needs are often more practical than simply love and compassion. We operate in the real world, and that means we need things like household essentials and toiletries. The Home relies on the generosity of our community to help us provide for the hundreds of children we serve on a daily basis. Please consider donating the items listed below.

- body wash
- shampoo
- conditioner
- hair detangler
- African American hair care
- brushes/combs
- men's deodorant
- women's deodorant
- tampons
- baby wipes
- MP3 players
- laundry detergent
- comforter sets (twin XL)
- sheet sets (twin XL) bath
- towels & wash cloths

Starting on Monday, November 25, all holiday donations are accepted at our Winter Wonderland Warehouse on our main campus at 1100 East Market Street. Follow Candy Cane Lane and directional signs to our Winter Wonderland!

All donations before November 25 or on a Saturday are accepted at our main entrance.
